frequently asked questions

WILL I BE ABLE TO SELECT MY MENU?

Yes, a Planning Guide will be sent to you with the available options!

HOW DOES THE PLANNING PROCESS WORK?

Once you've booked your collection, your planner will set up your first meeting; this can be done via phone, Zoom or in person. After that meeting you will be provided a detailed outline and a list of items you need to complete. You will schedule your cake tasting to design and select the cake flavors. The remainder of the planning is done via email and phone. Your day of coordinator will schedule a 30 day walk through (or call) prior to the wedding date. A rehearsal will be scheduled 30 days prior to the event, the coordinator will facilitate this and provide full day event coverage on your big day!

CAN I CUSTOMIZE MY FLOWERS?

All color palettes and bloom selections are custom, they're based on seasonality and availability. For the Casual Collection, your florals will be arranged through your planner. The Luxury Collection includes a floral design appointment with Verokina Balch with Flower Box by Little Nika.

CAN I BRING MY OWN VENDORS?

Under certain circumstances we do allow outside vendors, we will address this on a case by case basis.

CAN I CUSTOMIZE MY PLAYLIST AND TIMELINE WITH THE DJ?

100%! Your planner will assist in creating a timeline that suits you specifically, your song list will also be customized with the DJ.

WHAT ABOUT UPGRADES?

Package upgrades are available direct through individual vendors. Please refer to our Planning Guide for options.
