WHO WE ARE

We're a small group of people who pull off big events. We begin with a foundation of fantastic DJ entertainment & add to it an impressive lineup of lighting, photo booths, special effects, & a bunch more. However—as impressive as we like to think our services are, it means nothing if it's not what you're looking for. The goal isn't to brag about what we have, it's to learn what you want. Every time we get to bring our brand to an event it's somebody else's once in a lifetime. We never forget that.

There will be high fives, bro hugs, & bare feet on the dance floor! Our success is intentional! It's no accident that we've earned ourselves quite a nice reputation not only from past clients, but the very best in the industry.

WHAT'S INCLUDED

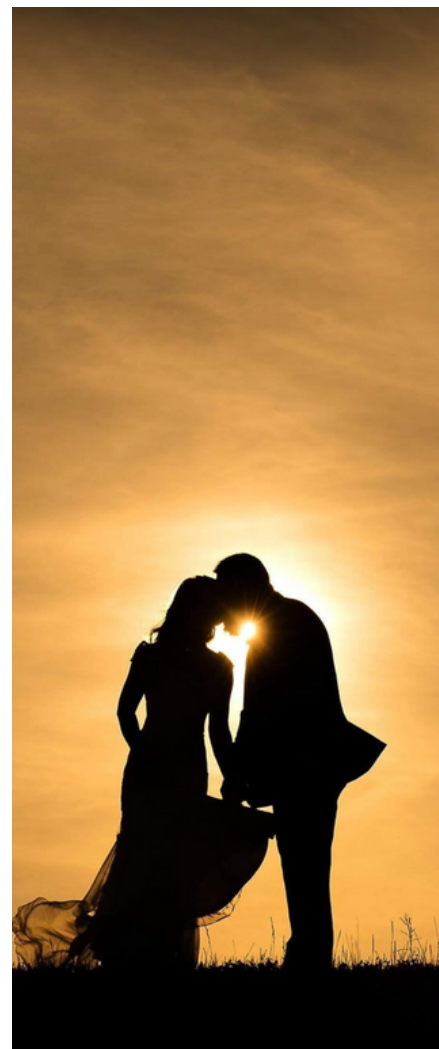

- > Ceremony Music
- > Reception Music

Darling Wedding Productions is the culmination of more than a decade of experience, dedication, and simply put, general butt kicking!
